MEMORANDUM FOR THE RECORD

SUBJECT: Telephone Conversation with James Bush of HPSCI on 11 May 1978,
1500 Hours [redacted]

1. [redacted] Mr. James Bush of the HPSCI initiated a call in which he confirmed his visit to Headquarters on 12 May 1978 to hold discussions on the Agency's Operations Center. He expanded on the purpose of his visit and asked in addition that he be afforded the opportunity to talk to someone from the Imagery Collection Requirements Subcommittee (ICRS), since this staff performs functions which relate to aspects of the proposed Community Collection Tasking Staff.

2. [redacted] Mr. Bush was told that the undersigned had already levied the requirements and indeed had discussed how best to be responsive with Mr. Walsh. It had been decided to team up [redacted] [redacted] both who would be able to respond to any of Mr. Bush's questions. [redacted] would also be able to respond to questions relative to the ICRS.

3. [redacted] The Badge Office had been alerted, and he would be free to pick his badge up upon arrival.
